An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Charles E. Baxley, USPTO Reg. No. 20,149 on January 5, 2006.

The application has been amended as follows:

- In Line 25 of Claim 1, "especially any" has been changed to --and any wall--
- In Line 35 of Claim 1, "especially any" has been changed to --and any wall--
- In Line 29 of Claim 8, "especially any" has been changed to --and any wall--
- In Line 41 of Claim 8, "especially any" has been changed to --and any wall—

The following is an examiner's statement of reasons for allowance: In light of Applicant's arguments filed December 16, 2005, the claims as amended are considered to include subject matter that overcomes the prior art rejections set forth in the Non-Final rejection of October 3, 2005. The Examiner amendments to claims 1 and 8 as set forth above put the claims in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jared W. Newton whose telephone number is (571) 272-2952. The examiner can normally be reached on M-F 8-5.
